

Carol was raised in Texas and Arkansas and graduated from Baylor University with a BS in Accounting. She spent most of her career with a leading multi-family development and property management company in California, most recently serving as Senior Vice President and Chief Accounting Officer. Areas of responsibility included management of the accounting department, audit facilitation, investor reporting, banking, tax return preparation and IT oversight.

After spending many years on the slopes of Breckinridge and on business trips to Denver, upon retirement in 2017, Carol and her family moved to Monument. She and her husband Dave look forward to becoming involved in the Monument/Tri-Lakes community.
