

Leslie is an Oklahoma native who, along with her 2 children, re-located to beautiful Monument in 2016 after marrying the love of her life. She's been an attorney and litigator for more than 26 years, but is currently employed as a Supervisory Attorney in the Solicitor's Office for the U.S. Department of the Interior where her practice focuses on oil and gas royalty matters.

Leslie brings her legal perspective to all matters presented to the Board and is hoping to bring a fresh perspective to Tri-Lakes Cares Board since she is relatively new to the state and the community. Leslie and her husband, Eric, are raising Leslie's two teenagers, both of whom will attend PRHS in 2019-2020. They are also looking forward to welcoming Eric's first grandchild in the summer of 2016.
