

Kimberly is a wife of nearly 40 years and a mother of four. She and her family recently made Monument their home after 26 years serving as missionaries in St Petersburg, Russia. The abrupt and unexpected move to the States made for a very difficult transition, and Kimberly became a client of Tri-Lakes Cares. Experiencing firsthand the difference this organization made for her family during a difficult season, she is thrilled to be able to serve on the board and begin to give back to the community.
