

A new way to support Tri-Lakes Cares!

In 2019, Colorado returned more than \$1 billion in refunds to 1.9 million state taxpayers.

In 2020, Coloradans who receive a state income tax refund will have a chance to donate all or some of it to a local nonprofit they trust, like Tri-Lakes Cares!

This year, there's a new Colorado program that allows you to support our work when you're completing your state income tax return and if you are getting refund.

This new state initiative, promoted through the ReFUND CO awareness campaign, will give you an opportunity to directly support us. It puts you in control of deciding if you want to donate some or all of your refund and choosing which Colorado-registered charity it will benefit – naturally we hope you will choose Tri-Lakes Cares.

- Decide how much of your state income tax refund to donate (all or any portion of it)
- Enter our name and registration number, in the “Donate to a Colorado Nonprofit Fund” line on your return or tax software – or give this information to your tax preparer when you share you tax documents:

Name: Tri-Lakes Cares

Registration Number: 20033003423

When you choose to donate from your state income tax refund, your contribution will come directly to us.

And, because this information is collected by the Colorado Department of Revenue, your name, address and donation amount will not be disclosed to the non-profit of your choice due to stringent privacy laws.

As always, we are grateful for your past support and hope you'll consider donating to us again through this exciting new opportunity!
