

Support Tri-Lakes Cares while supporting a local business!

Are you interested in showing your support of local businesses during this time of financial difficulties due to COVID-19? Do you also want to help Tri-Lakes Cares in serving those in our community meet their needs?

Then, consider these two unique ways to support both causes.

- (1) We have several vendors with whom we work to get milk, eggs, bread, or meat to stock our pantry. You can contact one of them and put money down on account which we can draw down on when we place an order. This will help us stretch other donor dollars to meet other needs. Should you choose to support us in the manner, please let us know. You can contact Brendan Rhoads, Community Engagement Manager at (719) 481-4864, ext 111 or via email at communityengagementmanager@tri-lakescares.org.

- (2) You can provide a special treat to one (or more) of our client families by purchasing gift cards (in any denomination you choose) to our local restaurants or coffee shops. These gift cards will then be given out to our client families as they come to pick up the supplemental grocery orders from our pantry. You can contact Haley Chapin, Executive Director at (719) 481-4864, ext 101 or via email at executivedirector@tri-lakescares.org. Some suggested restaurants include:
