Complaints and Grievances

To file a complaint or grievance, please complete TLC’s Complaint/Grievance Form and return it to TLC’s Director of Operations either in-person or via email at operationsdirector@tri-lakescares.org. TLC’s Leadership Team will review all submissions and provide a written response within two weeks of the date of submission. If the written response does not satisfactorily address the stated complaint or grievance, a face-to-face meeting can be scheduled with TLC’s Director of Operations and/or Executive Director to further address the issue. At their request, TLC’s Director of Operations and Executive Director will respect the confidentiality of all individuals who submit a complaint or grievance.

Please note: When serving clients, TLC’s Case Management Team assesses and responds to client requests on an individualized, case-by-case basis. They aim to provide appropriate and relevant services for all clients. Funding guidelines and TLC policies guide TLC’s responses to client requests. Therefore, clients may not necessarily receive the same services as other clients. Additionally, clients may receive assistance through different funding sources than other clients.
