Yes

Are there major repairs required \$500 or more?

No

Is it a motorcycle, RV, trailer, dirt bike, tractor or boat?

Yes

Contact

Vehicles for Charity to donate vehicle

TLC contracts with Vehicles for Charity to sell donated vehicles at auction, with the proceeds coming to TLC, minus towing fees, representing 80% of the sale of the vehicle. For example, if a donated vehicle sells for \$600, TLC will receive \$480. In some cases, and depending on the condition of the vehicle, it may only be sold for the "scrap price." Vehicles for Charity will provide you, the donor, with all the required tax donation paperwork.

Call 1-866-628-2277 and tell them you have a vehicle to donate on behalf of Tri-Lakes Cares. They will arrange with you for pickup and transfer of title.

Contact Christine, Development Specialist at TLC to complete donation paperwork and we will help get it to a client in need.
