

Joy, a Tri-Lakes resident since 2013, originally moved to Monument with her Husband of 22 years and three children for the top rated district 38 schools. When the children where grown, they decided to make Monument their forever home and grew to love the people and community. She and her husband Gary, own Positive Office Solutions, a Colorado Springs based commercial office furniture Installation and Moving company, covering the entire state of Colorado, as well as Wyoming and New Mexico. She and her husband are Jeep enthusiasts and spend much of their free time in nature hitting the trails. Joy loves her busy lifestyle and connecting with her community thru volunteerism.
