

## Support Tri-Lakes Cares *and* a Local Business!

Tri-Lakes Cares teams up with a few local businesses to meet the needs of those in the community. You can support Tri-Lakes Cares *and* support local businesses in our area!

### Here's How:

- 1.) We work with several area vendors to stock our pantry and thus have accounts set up with them. You can donate directly to an account with any of the vendors listed below and we'll use that donation to draw from when making purchases from the vendor. Please contact our Food Program Manager @ 719-481-4864 ext. 111 if you choose to support Tri-Lakes Cares in this way.
