

Stephanie is the new Director of Development for Tri-Lakes Cares. Stephanie has recently relocated to the Colorado Springs area from New Jersey. Prior to joining Tri-Lakes Cares, she began her career by working in the corporate industry before moving into the non-profit sector. Stephanie started working in non-profits as a Development Manager working with individuals with Autism. Stephanie has a Bachelor of Science degree in Marketing with a minor in Photography. She has recently received her certification in Project Management and is a member of AFP (Annual Fundraising Professionals). She is an advocate for helping her community. Stephanie believes in the mission of Tri-Lakes Cares and is excited to join the team and meet the community.

Stephanie enjoys spending time with her fiancé, family, and friends. She enjoys camping, hiking, traveling, cooking, and capturing their adventures through her camera lens.
