What documentation is required?

- Proof of residence: Lease agreement, mortgage statement, and/or utility bill with your name or the name of someone living in the household.
- Proof of identification for everyone living in the home: Photo ID for all adults ages 18 and older, a Social Security card or birth certificate for any youth under age 18, or school IDs for middle and high school students.
- Proof of income for all wage earners in the household who are age 18 and older: This may include most recent paycheck stubs (last 30 days), proof of unemployment, Social Security award letters, child support proof, and any additional documentation pertaining to income. If documents cannot be obtained, most recent bank statements (last 30 days) can be accepted with all forms of income highlighted. If an adult in the home does not have any income, a zero-income affidavit needs to be completed.
