THE ABUNDANT *Table*

Feeding hope through
legacy giving

At Tri-Lakes Cares, every meal shared, family supported, and neighbor served is made possible by caring people like you.

The Abundant Table recognizes visionary supporters who have chosen to extend that generosity beyond today — through planned gifts, estate commitments, and meaningful non-cash contributions that will nourish our community for generations to come.

WHO QUALIFIES

A donor qualifies for membership through any one of the following:

- A bequest in their will or trust (any size)
- A donor-advised fund (DAF) gift of \$5,000 or more
- A Qualified Charitable Distribution (QCD) of \$5,000 or more
- A gift of stock or securities (any size)
- A beneficiary designation naming TLC on a retirement account or life insurance policy (any size)

WHY JOIN

Some gifts make an impact today. A legacy gift ensures that impact continues tomorrow. The Abundant Table is how we recognize and celebrate the donors who make both possible.

What Members Receive

- A personalized welcome
- Recognition in TLC's annual report and website (donors can opt for anonymity)
- VIP access to TLC events throughout the year
- The option to share your story, if you are willing
- A seat at the table with the people who make this mission happen.
